The discussion and resolution of the IQAC meeting (notified as Ref. No. MMC / IQAC / 005 / 2024, dated 15/04/2024 and held on 18/04/2024) are the followings:

1. To decide the choice of the AQAR(s) submission method either in the old submission process of NAAC or in the "Binary Process" newly introduced by NAAC.

After an elaborate discussion, it has been resolved that on the basis of current situation of the infrastructure of the college and lack of official documents of our college specially before 2020, the IQAC committee will go for the "Binary Process" related with AQAR(s) submission method for NAAC.
