# About Pujo Parikrama'20

On the day of Tritiya, 19th October 2020, the “Pujo Parikrama” organized by the Journalism and Mass Communication department of Maharaja Manindra Chandra College extended beyond Kolkata, reaching Jhargram. That year, the Pujo Parikrama was held with many street children in Belpahari village, Binpur, in the Jhargram district.

Even though the COVID pandemic had struck the world hard that year, our “Pujo Parikrama” did not stop.

Food, new clothes, masks, sanitizers, and other items were provided to protect the children from COVID.

As always, we shared the joy with each child. No one could have imagined that amidst such a massive pandemic as COVID, we would still be able to bring them happiness during the Puja festival.
